CLASSIFICATION

Judge: MR BILL EVANS (Evandax)

I have been involved with Dachshunds for many years. Having purchased a Mini Smooth from Jo Lawley and in 1987 she advised me to show her. This I did with success. I now have Mini Wires and still show occasionally. I have judged many Club and Champ Shows, and have been a regular Steward at Crufts for over twenty years and have been in the ring with many top Dachshund Judges.

Where the Best of Breed or Best in Show is a puppy it will automatically be Best Puppy in Breed and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Breed and Best Puppy in Show respectively. 16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete Number will be returned to the exhibitor/competitor.
17. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
When at the show, never leave your dog in the vehicle.
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
